BIOFROST® RELIEF (COLD GEL) Pain relief gel is a fast and effective cold treatment for repetitive strain injury and sports related pain. Cold reduces swelling, releases muscle tension, and speeds up recovery in injuries and muscle exertion. **INDICATIONS:** For the temporary relief of minor aches and pains of muscles and joints.

DIRECTION FOR USE: Apply a thin layer to affected area, make a second application in 10 minutes. Repeat as necessary, but not more than 4 times daily. Consult a doctor before use if you are pregnant or nursing or have sensitive skin. Wash hands after use. **WARNINGS:** For external use only. Do not use on wounds or damaged skin. Do not apply to irritated skin or if excessive irritation develops. Avoid contact with the eyes and mucous membranes. Do not use with other creams, gels, or devices. Do not bandage. Store in a cool and dry place with lid closed tightly. Keep away from excessive heat. Any serious incident that has occurred in relation to the product should be reported to the manufacturer. **KEEP OUT OF REACH OF CHILDREN UNDER 12 YEARS OLD.**
